## From the Event Manager

Welcome to the 45th Fall Carlisle – a huge automotive swap meet, car corral and three-day collector car auction. With the close of our event season, expect big deals before everyone hibernates for the winter. It's the last chance for vendors to move merchandise at Carlisle for the year. All types of antiques, collectibles, memorabilia, vehicles, new and used parts and more will be offered at season-end pricing. You can always find something you didn't know you needed.

- **For the best results in shopping hit the field in sections or by rows** – marking your map (in the centerfold) as you go. The "outlying" spaces provide highly desirable, diversified merchandise and some of the best deals. Expect the unexpected in your pursuit.
- **Don't be shy!** Join some of the strongest collectors, pickers and flippers in the country. Ask for what you're hunting for and network with vendors while you are here. Share contact information for doing business later.
- **Write down space numbers** of places you were or where you left something to pick up later. **Call 717-960-6429 for FREE Parts Hauling and Taxi Service.** Donations to the Chip Miller Amyloidosis Foundation are accepted.
- **Become a vendor.** It's a quick and easy process to sell your overstock from years of collecting. Turn your stock into cash at any of our events. Call to see if you qualify for discounts.

**It's all about you!** You are an exclusive part of the Carlisle Events Family and without you it wouldn't exist. **Your feedback is appreciated!** What additions would you like to see at this event? Complete our survey on our website or email me directly. Thank you for your support! Happy hunting!

## From Carlisle Events...

Diane Vaughn has been with Carlisle Events for close to 40 years and is retiring at the end of this year. She has been an instrumental member of the Carlisle Events Family and beloved friend to many. Vendors and friends are invited to join us on Saturday evening at the Grandstand to wish her well during the vendor appreciation dinner.

families grow up and meeting second and third generations and even some fourth generations! Thank you so much for allowing me to be a tiny part of your family.

I may be retiring but I'll still be living in Carlisle and, make no mistake, I'll still be coming to the car shows. So it's not good-bye, it's a "see you around."

My best to all of you; you have truly enriched my life. Thanks for making it such a great ride!

TAMI DEMARK, DAWN RICKENBACH, DAVE PETERSON & DIANE, 1995

## From Diane...

My 37th Fall Carlisle – wow, time really does fly when you're having fun! Who would have ever thought that when Bill and Chip asked me to work for them that morning over breakfast that I would spend over half my life doing so. And, believe me when I say, I wouldn't trade it for anything.

## From Bill Miller, Jr....

I met Diane in 1980 at the Chevrolet Zone Office where she worked. Even though I had become a Ford dealer, I would still drop by the Zone to see friends that I had made while working many years for the local Chevrolet dealership.

I often told her of our creation at the Carlisle Fairgrounds and she was always interested and wanted to know all about the shows. In 1981 we had the opportunity to purchase the fairgrounds and at the same time Chevrolet Motor Division decided to close the Zone Office at the end of that year.

Being part of this team that started with just a handful of people and a couple of shows has been amazing. And getting to know all of you has really made it special. Bill and Chip created a family atmosphere in which to work but it didn't stop there because you are our real Carlisle family who has helped us make Carlisle what it is today.

It has been my pleasure to have been able to welcome you back to Carlisle year after year. I've loved watching your

In February Diane called me to see if I might be interested in buying a couple of collector cars that one of her friends had for sale. I asked her what

she was doing and found out that she was about to accept a job offer in Harrisburg. I asked her not to do so until Chip and I could meet with her. We met that week for breakfast, explained our vision for the fairgrounds and offered her the job to help promote it. She took the day to think about it and then said “yes.”

Perfect timing, and the rest is history. Diane was a natural from day one and like my partner Chip Miller, everyone she met turned into a friend. She greeted everyone with her warm smile and she soon knew most people by name. Over the years Diane helped Chip and me assemble the best group of show vendors to make Carlisle Events the best it could be.

After Diane retires at the end of the year, we are hoping you will still get to see her from time to time. She has hinted that she may help out at the auctions.

How are we going to operate without her, you ask? Well as efficient as she has been for the last 37 years you don't think she would leave us hanging, do you? For the last few years she has been mentoring Tami DeMark to step into her shoes. They have worked closely together, through every process, to make sure that Diane's fine service will continue for many years to come.

Diane, nothing I could say

would be enough to repay you for all the hard work, time, and dedication you have given me and Carlisle Events. Have a wonderful retirement and know that you touched so many people over the years and that Carlisle Events appreciates all you have done. Your mark on the hobby will truly be remembered.

### **From Lance Miller...**

My father, Chip, always took great pride in having a team that does their best to get along and have fun all while getting work accomplished. Bill and I do our best to continue this vision. This says a lot for Diane, everyone loves her! She's sweet, dynamic and always carries a beautiful smile. I'm grateful to have worked with her and enjoy her personality on a daily basis. Since I was a little boy Diane has always represented Carlisle Events and done it professionally and extremely well. We were fortunate she spent her entire career with us, which is rare these days. My father would often get caught saying “I love Diane;” the Apple doesn't fall far from the tree... I love Diane too. She'll be missed, but I have a funny feeling she'll be back to visit us often. After all, we're family after all these years. I hope she has a healthy and fun retirement, she deserves every second it has to offer.

There was NOTHING Diane couldn't do to make coming to Carlisle an absolute pleasure! I miss her already!  
 -Ty Houck  
 Ragtops Motor Cars

Diane Vaughn is the meaning of the word "professional." I worked closely with her when the Gettysburg Region of the Antique Automobile Club of America held their Eastern Division Spring meets there in 2003 and 2013. I will miss her personally and professionally. Good Luck in retirement.  
 -Don Barlup  
 2015 AACA National President

Carlisle would not be what it was at its zenith without Diane. Never a problem or an issue that couldn't be solved graciously and expediently. The consummate professional! Love her and will miss her!  
 -Jay Storch

Diane, I once relayed to you that after all of these years perhaps I might be a "little special" in your eyes because of the kindness you have shown me ... until one late Friday afternoon I spent nearly an hour at Vendor Services and witnessed one vendor after another and one

phone call after another being shown the same "extra special" attention that has been shown to me all of these years...and realized it wasn't just me! Your special gift of communication, plus all of your thoughtfulness, sweetness and charm will be very much missed...and certainly will be difficult to replace. Wishing you all of the best that life has in front of you.

-Sincerest Regards,  
 Bruce Kade

As my supervisor for the last 20 years, I have the privilege and honor to call Diane a Forever Friend. She is classy, compassionate, understanding, loving, caring, funny, quick to break out in a beautiful smile and laughter, and just as quick to shed a few tears. She has a tremendous love for all of God's creatures, two-legged, four-legged and everything in between. She doesn't hesitate to make time for someone, regardless of her busy schedule. Her knowledge of all things relating to the vendors and the shows always impressed me. I hope she enjoys her retirement to the fullest.

Chip Miller was known for his positive attitude and his love of Corvettes. Unfortunately, he lost his battle with Amyloidosis in a few short months because he was not diagnosed until it was too late. Join us in spreading the word about Amyloidosis and raise funds to help science find the cure by making a donation to the on-grounds TAXI & PARTS HAULING SERVICES. Together, we CAN make a difference!

## REVITALIZATION OF CARLISLE'S FORMER IAC SITE

The site of the former International Automotive Components plant, located along Spring Road a few blocks from the Carlisle Fairgrounds, closed in 2008. Carlisle Events purchased the property and has undergone several years of clearing the land, planning, cutting through red tape and is now in the beginning stages of construction. The first phase of the project is the infrastructure – roads, storm water runoff, sewage, power and water lines, etc. By the beginning of the next event season we expect to see some buildings take shape to include a hotel, shops and a car condominium community called Concours at Carlisle.
